

# PLEASE SEND ME THE BETA VERSION OF THE SECUREBALL SYSTEM

## Terms and conditions of use for the Beta Version

The USB Token Software allowing access to the Beta Version of Secureball network is provided free under the following terms and conditions:

I agree that as a participant in the Beta Phase I am personally responsible for registering all possible occurrences of function failure to the Secureball support team. The information can be passed on via the Beta Test Formula on the **Secureball.com** website or alternatively at the following email address: **support@secureball.com**

### Limited liability.

I agree that Falcovis Technology is not responsible for any faults in the software or any damage caused to the hardware or software system as the result of the use of the Secureball system. I am aware that the use of the Secureball USB Token in the Beta version can lead to damage and I will not hold Falcovis Technology Ltd responsible either directly or indirectly.

Falcovis Technology Ltd. ensures that every registered software and technical fault in the system will be repaired as a matter of urgency.

I will ensure that the installation of the Beta Version of the Secureball USB Token does not cause any system to be influenced in any way so as to endanger the security of persons or property.

I agree that the duration of the free use of the Beta Version is for 3 months only. At the end of 3 months Falcovis will make an offer for the continued use of the system in return for an agreed payment. Should I not wish to accept this offer I agree to return the Secureball USB Token to Falcovis Technology Ltd immediately.
